ELECTRICAL COMMUNICATION

Volume 5, 1926—1927

INDEX

		Page
Albright, Henry Fleetwood—In Memoriam	July, 1926	27
Ampère, André Marie—Pioneers of Electrical Communication—II, by Rollo Appleyard	January, 1927	197
Appleyard, Rollo: Pioneers of Electrical Communication—James Clerk Maxwell—I	October, 1926	73
Appleyard, Rollo: Pioneers of Electrical Communication—André Marie Ampère—II	January, 1927	197
Appleyard, Rollo: Pioneers of Electrical Communication—Alessandro Volta —III	April, 1927	235
Britten, W. G.: Time Clock Systems	July, 1926	28
Broadcasting in Japan, by R. E. A. Putnam	January, 1927	189
Clausen, H. P.: Morkrum-Kleinschmidt Printing Telegraph Systems	January, 1927	216
Coin Operated Telephone Pay Stations, by E. S. McLarn	January, 1927	165
Composite Telegraphy and Telephony on Open Wire Lines, by A. E. Thompson	April, 1927	250
Cooper, H. G.: Dry Cells and Their Testing	January, 1927	210
Davidson, J.: Toll Switchboard No. 3	April, 1927	255
Deloraine, E. M.: The Milan Broadcasting Station	October, 1926	87
Deloraine, E. M.: The Prague Radio Broadcasting Station	January, 1927	180
Deloraine, E. M.: Transatlantic Radio Telephony—Radio Station of the British Post Office at Rugby	July, 1926	3
Development and Application of Loading for Telephone Circuits, by Thomas Shaw and William Fondiller	July, 1926	38
Dry Cells and Their Testing, by H. G. Cooper	January, 1927	210
Fondiller, William: Development and Application of Loading for Telephone Circuits	July, 1926	38
Gubbins, T. R.: Long Distance Telephone Communication at the Locarno Conference	July, 1926	64
Hart, A. B.: The London-Glasgow Trunk Telephone Cable and Its Repeater Stations	October, 1926	119
Hedén, N.: The Stockholm-Norrköping Telephone Cable	July, 1926	54
Iceland and Its First Broadcasting Station, by Keith H. Thow	April, 1927	267
Inada, Sannosuke: Telephone Reconstruction in Tokyo and Yokohama	October, 1926	99
In Memoriam—Henry Fleetwood Albright	July, 1926	27
In Memoriam—Charles E. Scribner	October, 1926	97
Kingsbury, J. E.: Recollections of Charles E. Scribner	January, 1927	207
London-Glasgow Trunk Telephone Cable and Its Repeater Stations, The, by A. B. Hart	October, 1926	119
Long Distance Telephone Communication at the Locarno Conference, by T. R. Gubbins	July, 1926	64
Maxwell, James Clerk—Pioneers of Electrical Communication—I, by Rollo Appleyard	October, 1926	73

		PAGE
McLarn, E. S.: Coin Operated Telephone Pay Stations	January, 1927	165
Milan Broadcasting Station, The, by E. M. Deloraine	October, 1926	87
Miller, H. P.: Spowart Enclosed Gear Type Earth Boring Machine	July, 1926	33
Modern High-Voltage Cable-Testing Plant, A, by T. N. Riley	April, 1927	284
Morkrum-Kleinschmidt Printing Telegraph Systems, by H. P. Clausen	January, 1927	216
New Madrid Telephone Building, The	January, 1926	161
New Project for Long Distance Cable Systems in Italy	October, 1926	156
Pioneers of Electrical Communication—James Clerk Maxwell—I, by Rollo Appleyard	October, 1926	73
Pioneers of Electrical Communication—André Marie Ampère—II, by Rollo Appleyard	January, 1927	197
Pioneers of Electrical Communication—Alessandro Volta—III, by Rollo Appleyard	April, 1927	235
Prague Radio Broadcasting Station, The, by E. M. Deloraine	January, 1927	180
Public Address System in Liverpool Cathedral, The, by Ashley F. Rickard	October, 1926	111
Putnam, R. E. A.: Broadcasting in Japan	January, 1927	189
Radio Station of the British Post Office at Rugby—Transatlantic Radio Telephony, by E. M. Deloraine	July, 1926	3
Radio Telephony Applied to Antarctic Whale Hunting, by E. A. Rattue	April, 1927	260
Rattue, E. A.: Radio Telephony Applied to Antarctic Whale Hunting	April, 1927	260
Recollections of Charles E. Scribner, by J. E. Kingsbury	January, 1927	207
Rickard, Ashley F.: The Public Address System in Liverpool Cathedral	October, 1926	111
Riley, T. N.: A Modern High-Voltage Cable-Testing Plant	April, 1927	284
Scribner, Charles E.—In Memoriam	October, 1926	97
Scribner, Recollections of Charles E., by J. E. Kingsbury	January, 1927	207
Shaw, Thomas: Development and Application of Loading for Telephone Circuits	July, 1926	38
Signal-Strength Measurements, by E. H. Ullrich	July, 1926	22
Some Features of the Long Distance Telephony Exhibition in Paris	April, 1927	273
Spowart Enclosed Gear Type Earth Boring Machine, by H. P. Miller	July, 1926	33
Stockholm-Norrköping Telephone Cable, The, by N. Hedén	July, 1926	54
Telephone and Telegraph Statistics of the World	July, 1926	66
Telephone Reconstruction in Tokyo and Yokohama, by Sannosuke Inada	October, 1926	99
Thompson, A. E.: Composite Telegraphy and Telephony on Open Wire Lines	April, 1927	250
Thow, Keith H.: Iceland and Its First Broadcasting Station	April, 1927	267
Time Clock Systems, by W. G. Britten	July, 1926	28
Toll Switchboard No. 3, by J. Davidson	April, 1927	255
Transatlantic Radio Telephony—Radio Station of the British Post Office at Rugby, by E. M. Deloraine	July, 1926	3
Ullrich, E. H.: Signal-Strength Measurements	July, 1926	22
Volta, Alessandro—Pioneers of Electrical Communications—III, by Rollo Appleyard	April, 1927	235
